Dick Kraffert

Municipal Pool

Dick Kraffert Pool

Located at 714 East Main Street, visitors are offered a variety of ways to relax and cool off on those long hot days of summer. The pool features a zero-depth point of entry, diving board, and figure eight water slide. Picnic tables and plenty of grassy shaded areas are available for enjoying a nice picnic as well as time visiting with family and friends.

Extensively renovated following the close of last year's swim season, the pool house offers public restrooms, showers, and lifeguard facilities, as well as, a tabled concession area where you can purchase an ice cold drink or light snack.

Photo ID cards are now required to access the pool when using an Individual or Family membership

Hand Stamping

In order to make it possible for people to leave and re-enter the pool area easily, we will use a hand stamp system. The stamp is available at the exit window as you leave. Make sure to **ASK** for a stamp if you wish to re-enter the pool area.

Inclement Weather

Open Memorial Day Weekend through Labor Day Weekend, generally the pool will remain open during *all* inclement weather EXCEPT thunderstorms. At the first sign of a thunderstorm (lightning or thunder), the lifeguards will *immediately* clear the pool and pool area of users. **The pool will re-open 15 minutes after all visible and audible signs of a storm have passed.**

Visitors should seek shelter during inclement weather and will need a hand stamp to re-enter the pool area.
