Scheide Park has been dedicated by City Council as a space for local farmers to sell their locally grown and cultivated produce, *free of charge*.

## Vendor rules

- \* No vehicles permitted in park
- \* Parking on street only
- \* 12' x 12' canopies permitted
- \* Remove all trash and litter
- \* Vendors must remain onsite at all times and must comply with all State and Local laws

This free privilege has not been used by local farmers, primarily due to confusion and lack of publicity. This provision in the City Ordinances has been in existence for many years. We strongly encourage farmers to take advantage of this opportunity to show off their wares.
