PUBLIC PARTICIPATION

Jim Elliott – 306 North Franklin Street

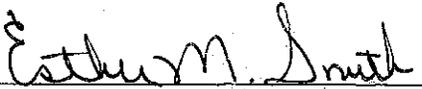

Questioned if Council has looked in to his question from the work session regarding pop up shops and vendors being required to have transient merchant licenses. He also questioned what business name the license is under for the pop up shop going on this weekend. He also questioned if the City Manager knew what it would cost to do hardy back siding on City Hall.

Larry Emerson - 120 West Walnut Street

Commented that the city employees, the council and our city manager do a great job. Several projects in town have all been positive. Blight is going down, new houses are coming up. You've replaced stuff. There is new piping. Everything that has happened so far at the park is positive. He challenged council to go up on Dillon Drive and park on the west, east, or south side and take a walk to Sunset Park and then do the same at Robert's Grove and imagine a young mother taking a couple of small kids and doing that same thing. He expressed that we have turned our backs on that whole neighborhood up there. There are no sidewalks.

Motion by Mr. Adelman second by Mr. Frazier and carried unanimously to adjourn the meeting at 6:25 p.m. to an executive session regarding personnel and a legal matter.
